Education

- | | |
|-------------|--|
| 1995 – 1997 | NIMH Post-Doctoral Fellow in Neuropsychology, Neuropsychiatric Institute, University of California at Los Angeles. |
| 1995 | Ph.D. in Clinical Neuropsychology, Department of Psychology, University of Houston. |
| 1995 | APA Approved Clinical Psychology Internship, Health Sciences Center, University of Arizona. |
| 1993 | M.A. in Psychology, Specialty: Neuropsychology, University of Houston. |
| 1989 | B.A. in Biology-Psychology, Middlebury College, Vermont. |

Professional Experience

- | | |
|----------------|--|
| 2015 – Present | Full Professor, Scripps College, Department of Psychology |
| 2007 – Present | Associate Professor, Scripps College, Department of Psychology |
| 2004 – Present | Private Practice, Claremont, CA. |
| 2004 – 2006 | Assistant Professor, Scripps College, Department of Psychology. |
| 2001 – 2004 | Assistant Professor, University of Colorado, Colorado Springs, Department of Psychology. |
| 1998 – 2001 | Assistant Professor, Scripps College, Department of Psychology. |
| 1998 – 2001 | Research Associate, UCLA Borun Center for Gerontological Research. |
| 1996 – 2001 | Assistant Research Professor, Department of Neurology, UCLA School of Medicine. |

Other Positions

2015 – Present	San Bernardino: Consulting Geriatric Neuropsychologist Adult Protective Services / Capacity Assessments
2014 – Present	Member: LA SCAMS Working Group on Mass Marketing Fraud
2014 – Present	Riverside County: Consulting Neuropsychologist Elder mistreatment / Capacity Assessments
2013 – Present	Appointed to Los Angeles County Superior Court Panel of Experts.
2007 – 2010	Consultant, Forensic Neuropsychologist LA County Elder Abuse Forensic Center.
2007 – 2010	Consultant Bernatz Forensic Neuropsychology, Los Angeles.
2006 – 2008	Clinical Supervisor, Center for Aging Resources (CFAR), Pasadena, CA.

Professional Memberships

2006 – Present	Member American Bar Association/ APA Working Group on Capacity Issues.
2008 – 2010	Member National Institutes of Health Review Panel, NIA-S.
1991 – Present	International Neuropsychological Society.

College and Department Service

2015 – Present	Chair: Appointment, Promotion and Tenure Committee.
2013 – 2014	Member, Appointment, Promotion and Tenure Committee.
2011 – 2103	Writing Advisory Committee.
2011 – 2013, 2008 – 2010	Chair: Department of Psychology.
2010 – Present	Chair: Writing Director Search Committee.
2010 – 2012	Committee Member, Core Steering Committee.
2010 – 2013	Faculty Mentor, Scripps College Academy.

One Summer (2010), Two Fall (2011; 2013) Programs

2008 – Present	Committee Member: Humanities Advisory Board.
2010	Chair: Search Committee Visiting position in Social Psychology.
2008 – 2010	Committee Member, Faculty Executive Committee.
2009 – 2010	Committee Member, Budget and Planning.
2008 – 2009	Committee Member, Student Affairs.
2010	Committee Member, Anthropology Review.
2009	Committee Member, Classics Review.
2008 – 2009	Committee Member, Psychology and Law Search.
2007 – 2008	Chair, Cognitive Neuroscience Search.
2008	Committee Member, Presidential Scripps Science Study Group.
2005 – 2007	Chair, Scripps College Institutional Review Board.
2007	Presenter, Family Weekend.

Professional Service

2006 – Present	Appointed Member, Joint APA-ABA Working Group on Capacity Issues.
2010 – 2016	Editorial Board, APA Journal <i>EMOTION</i> .
2008 – 2010	Member: National Institutes of Health Review Panel, NIA-S.
2009	Chair: National Institutes of Health Special Emphasis Panel.
2011	Member: NIH Specialty Review Panel
2012	Member: NIH Affective Decision Making Study Section

Reviewer

Journals (ad hoc)	<i>Psychology & Aging, Journal of Gerontology, Journal of the American Geriatrics Society (JAGS), Health Psychology, Journal of Behavioral Decision-Making, Journal of the International Neuropsychological Society, Alzheimer's disease and Associated Disorders, Journal of Experimental Social Psychology; Brain Imaging and Behavior</i>
-------------------	--

Grants (ad hoc) National Science Foundation (Decision-Making Division), National Institute of Justice

Grant Support

Wood, Stacey. (Principal Investigator). Identification of Risk and Preventative factors for Financial Elder Exploitation. Department of Justice (DOJ). 136,290. 9/13 – 7/16.

Wood, Stacey (Principal Investigator). Financial capacity and older adults. California Foundation. 12,000. 8/15 – 8/17.

Wood, Stacey & Williams, Sarah* (Co – PIs). The impact of financial literacy on health, wealth and happiness in older adults. Mellon Foundation. \$7,800. 6/14 – 12/14.

Wood, Stacey & Kitada, Laurel* (Co-PI's). The impact of education and community involvement on Risk for financial exploitation among community dwelling adults. Mellon Foundation. \$6,700. 6/14 – 12/14.

Wood, Stacey. (Principal Investigator), Development of a laboratory model for financial elder exploitation. Borchard Foundation, 20,000. 1/13- 12/13.

Wood, Stacey Co- Principal Investigator, NSF BCS-1039791, Major Research Instrumentation Program: Instrument Acquisition or Development “MRI: Acquisition of a High-Density Electrophysiology Laboratory for Intercollegiate Research and Training in Cognitive Neuroscience” (Alan Hartley, P.I.) Direct costs: \$411,008. Year 7/10-7/12.

Wood, S. (PI on subcontract to Scripps). Manacled Competition: Limiting Health Insurance Choices for the Elderly. (PIs Yaniv Hanoch & Tom Rice, UCLA) Robert Wood Johnson Foundation. Support Years 5/ 06 – 5/ 10. Total subcontract \$100,000.

Wood, Stacey (Co - Principal Investigator with Scripps student Lauren Moneta). Behavioral and neurophysiological correlates of risk behavior. (Mellon Foundation). Support Years 3 / 05 – 3/ 06. Total Award \$5, 000.

Wood, Stacey (Co - Principal Investigator with Scripps Student Lauren Moneta). Affective Forecasting across the lifespan. (Mellon Foundation). Support Years 3 / 05 – 3/ 06. Total Award \$5, 000.

Wood, Stacey (Principal Investigator). Cognitive and Social Aspects of Decision-making. (NIH/NIA R15 AG021442-01). Support Years 10/03-10/05. Total Award \$136,750. This award is only given to those whose primary mission is training undergraduates.

Wood, Stacey (Co-Investigator). Limited Guardianship to maximize independence of elders: A review of Law and Practice. (PI – Jennifer Moye, Ph.D. Harvard University) Farnsworth Foundation. Support years July 2004- July 2006. Total Award \$80,000.

Wood, Stacey (Principal Investigator). The role of emotion on decision-making in older adults. University of Colorado, Colorado Springs Committee on Research and Creative Works. Support Years 7/03-6/04. Total Award \$4,660.

Wood, Stacey (Principal Investigator). Assessing the Risk for abuse and neglect in assisted living facilities. John Randolph Haynes and Dora Haynes Foundation. Support Years 3/00-3/01. Total Award \$10,000.

Wood, Stacey (Principal Investigator). Detection of Depression in Nursing Home Residents. California Department of Health Services: Support Years 7/98-6/01. Total Award \$125,000; part of Alzheimer's Disease Research Centers of California (PI Cummings).

Wood, Stacey (Principal Investigator). Neuroscience on the WEB. Mellon Foundation, Support Years 1/99-12/00. Total Award \$15,000.

Wood, Stacey (Principal Investigator). Information-processing anomalies and functional implications in HIV-1 infection. (NIH-NRSA 1F32AI097969-01). Support Years 10/96-10/97. Total Award \$25,000. Award declined.

Wood, Stacey (Principal Investigator). Neurobehavioral Disturbances in Nursing Home Residents: Economics, Occupational Disruption, and Clinical Correlates. Pfizer Pharmaceuticals, Support Years 1/97-12/97. Total Award \$80,000.

Wood, Stacey (Co-Investigator, PI Jeffrey L. Cummings, MD) The Effect of Aricept on cognition and Behavior in nursing home residents with Alzheimer's Disease. Pfizer Pharmaceuticals, Support Years 8/96-3/98. Total Award \$100,000.

Wood, Stacey (Co-Investigator, PI Jeffrey L. Cummings, MD) The effect of Exelon on behavioral disturbances in moderately to severely impaired Alzheimer's patient's at a nursing home setting. Novartis Pharmaceuticals, Support Years 11/96-6/99. Total Award \$70,000.

Wood, Stacey (Co-Investigator, PI Jeffrey L. Cummings, MD) Olanzapine treatment for psychopathology and agitation in Alzheimer's Disease in a residential care facility. Eli Lilly Pharmaceuticals, Support Years 1/97-1/98. Total Award \$50,000.

Consultation to Industry: Janssen Pharmaceuticals, Astra-Zeneca Pharmaceuticals, Eli Lilly Pharmaceuticals, Pfizer Pharmaceuticals, Novartis, Merck, Forrest Research Industries.

Media Consultation / Activities: Reuters, UPI, Reader's Digest, MSNBC.COM, Dow Jones MarketWatch, MSN Money, Live Science.com; Readers Digest, Health Magazine; Prevention Magazine, AARP Bulletin, LA Times, Marketplace Radio (web), Elder Justice Blog.

Invited Lectures

Behavior disturbances in Alzheimer's Disease: Characterization and measurement. Grand Rounds, Simon Fraser / Riverview Hospital, Vancouver, B.C. November, 1997.

Detection of depression in late-life. Conference sponsored by California State Northridge on fitness in late-life, April 1999.

Early detection of Alzheimer's disease. Conference sponsored by California State Northridge on fitness in late-life, April 1999.

The Use of Videotaped vignettes to improve mental health care in long-term care. Conference sponsored by UCLA department of Geriatrics. Laguna Beach, May 2001.

Assessing decision-making for issues related to abuse and neglect in assisted living residents. Geriatric Health Conference, University of Colorado at Colorado Springs, April 2002.

Working with Vulnerable Populations: Older adults. El Paso Bar Association Lecture Series on Ethics, Colorado Springs, December 2002.

Early Onset Alzheimer's Disease. Rocky Mountain Alzheimer's Association, Colorado Springs, April 2003.

Optimizing decision-making. PILLAR Lecture series "Mental Longevity", Colorado Springs March 2004.

The Negativity Bias is eliminated in older adults: Implications for Decision-making Presentation to Claremont Graduate University Cognitive Brown Bag lunch, September 25, 2004.

Neuropsychological Assessment of Capacity: Presented at National Academy of Elder Law Attorneys (NAELA), November 12, 2004, Colorado Springs, CO as part of workshop with co-presenters Edie Greene and Sara Qualls.

Changes in Decision-Making across the lifespan: UCLA Psychology Department January 13, 2005.

The negativity bias is eliminated in older adults: Implications for management: Presented to the UC-Riverside School of Management, January 14, 2005.

Scripps College Alumni Weekend: "Cognitive impairment and other elder care issues." April 25, 2006.

Geropsychology National Conference on Decision-Making Capacity, Colorado Springs, CO; How does dementia impact decision-making abilities, June 16, 2006.

Geropsychology National Conference on Decision-Making Capacity, Colorado Springs, CO; Neuropsychological assessment as part of a capacity evaluation process June 17, 2006.

Research Colloquium: Fuller School of Psychology, Pasadena, CA. Emotion and how it impacts decision-making as we age. October 15, 2006.

San Gabriel Valley Elder Law Task Force, Pasadena, CA. The role of neuropsychology in capacity evaluations. November 28, 2006.

Scripps College Family Weekend: “Emotion and how it effects our thinking across the lifespan”
February 22, 2007.

Scripps College Alumni Weekend: “Cognitive impairment and decision making in the elderly”
April 28, 2007.

Certificate in Older Adult Mental Health Services Lecture: Dementia, Delirium, Depression.
(February 2008). For WISE- Healthy Aging Antioch University, Culver City.

LACBA / LA County Superior Court PVP Training (May 2008 with Susan Bernatz),
“Assessment of Decision-Making Capacity”. Loyola Marymount College of law.

LACBA / PVP Training (October 2008), “Assessment and Undue Influence in Capacity Cases”.
Loyola Marymount College of Law.

UC Riverside, Extension. (December 2008). Genetics and Human Behavior: Genetics &
Dementia.

Mental Capacity and Undue Influence. (February 2009 with Susan Bernatz). Part of Probate and
Mental Health Institute, Judicial education state of California. San Diego, CA.

UC Riverside Psychology Cog Lunch. Medicare Part D: (May 2009). The effects of age, choice
size & numeracy.

Aviva K. Bobb Advanced PVP Attorney Training Program (September 2009). Interviewing
Impaired Clients. LACBA, Los Angeles

Northern California Neuropsychological Forum (May 2010). Assessment of Decisional
Capacity. San Francisco, CA.

American Psychological Association. (August 2010). Chair: CE Workshop: Assessment of
Decisional Capacity in Older Adults. San Diego, CA.

Central California Federal Public Defender’s Office. (July 12, 2011). CE Workshop:
Neuropsychology 101. Los Angeles, CA.

Riverside Public Defender’s Office. (October 6, 2011). CE Workshop: Integrating
neuropsychology into your defense. Riverside, CA.

California District Attorney’s Association (CDDA). (December 6, 2011). Part of the statewide
Elder Abuse Symposium. Competency and Capacity Issues, Monterey, CA.

Inland Bar Association (January 20, 2012). Covina, CA. Neuropsychology 101.

Pomona Valley Estate Planning Council (March 27, 2012). Dementia, Decision-making, and
Capacity.

San Gabriel Valley Elder Law Task Force, Pasadena, CA. Optimizing your clients decision-making abilities: Older adults, dementia & capacity. May 22, 2012.

California Public Defenders Association (CPDA). (August 25, 2012). Integrating Neuropsychology into your defense. Berkeley, CA.

Aviva K. Bobb Advanced PVP Attorney Training Program (October, 2012). Undue Influence & Interviewing Clients. Los Angeles County Bar Association, Los Angeles, CA.

California District Attorney's Association (CDDA). (December 4, 2012). Part of the National Elder Abuse Symposium. Competency and Capacity Issues, San Francisco, CA.

Neuropsychology of Fraud. Los Angeles Area Chapter of Fraud Examiners. Los Angeles, CA, 9/25/13.

California Attorneys for Criminal Justice / California Public Defenders Association (CPDA) Capital Case Defense Seminar. (February 7, 2013). Neuropsychology 101, Monterey, CA.

California District Attorney's Association (CDDA). (December 5, 2013). Part of the National Elder Abuse Symposium. Competency and Capacity Issues, Anaheim, CA.

California Attorneys for Criminal Justice / California Public Defenders Association (CPDA) Capital Case Defense Seminar. (February 15, 2014). Introduction to Neuropsychology, Monterey, CA.

Training on Financial Elder Abuse, Dementia, and Mental Competency Issues in Bankruptcy. United States Bankruptcy Court, Central District of California, January 31, 2014.

California Bar Association. Dementia, Competency and Capacity Issues in Older Adults. Los Angeles, CA. April 29, 2014.

California District Attorney's Association (CDDA). (December 10, 2014). Part of the National Elder Abuse Symposium. Neuropsychology of Capacity, San Francisco, CA.

The Institute of Medicine (National Academy of Sciences). (June 24, 2015). Financial Decision-making. Committee to evaluate the U.S. Social Security Administration's financial capability determination process for adult beneficiaries.

California Attorneys for Criminal Justice / California Public Defenders Association (CPDA) Capital Case Defense Seminar. (February 15, 2016). Introduction to Neuropsychology, San Diego, CA.

Susceptibility to Fraud. Riverside County C.A.R.E. Team meeting / APS training. May 25, 2016. Perris, CA.

American Civil Liberty Union (ACLU) Training on Mental Health Issues in Capital Mitigation. Co-presenter. Scripps College, Claremont CA June 29, 2016.

California Association of Public Guardians, Public Administrators, and Public Conservators (CAPGPAPC). Working with vulnerable clients. Riverside, CA September 13, 2016.

Elder Financial Fraud and Financial Exploitation Prevention Program: Summit and Training. EIFFE Prevention Program. Cognitive Risk Factors for Financial Exploitation: Role of MCI. Santa Fe, New Mexico, October 17, 2016.

Undue Influence: Assessment and Presentation in Court. A WEBINAR presented as part of Capacity Brown Bag series hosted by Dr. Jennifer Moye (Harvard / Brocton VA MA.), December 16, 2016.

Advanced Capacity Workshop (Co- Presenter, Prescott Cole). As Part of CA APS statewide training. Los Angeles, CA February 2, 2017; Riverside County, CA February 3, 2017.

Undue Influence in Elder Abuse Cases (Co-Presented with Mr. Andrew Turk, DDA San Bernardino County). Estate Planning Council of San Bernardino County. February 15, 2017.

Clinical Practice

Licensed Clinical Psychologist in State of Colorado (#2557 inactive), California (#16805 active)

- 2014 – Present Consulting Psychologist: Adult Protective Services, County of Riverside; Riverside Elder Abuse Forensic Center.
- Provide consultation on cases involving elder mistreatment, financial exploitation in dependent adults and older adults in Riverside County.
- 2004 – Present Clinical Neuropsychologist in Private Practice, Claremont, CA. Specializing in assessment of decisional abilities in forensic cases (criminal, civil, & probate).
- 2006 – Present Member APA / ABA working group on capacity and guardianship issues.
- 2007 – 2010 Associate LA County Elder Abuse Forensic Center; Consultant Bernatz Forensic Neuropsychology
- 2006 – 2007 Clinical Neuropsychologist / Clinical Supervisor: Center for Aging Resources (CFAR), Pasadena, CA.
- Provide training and supervision for neuropsychological assessment to Psychology Interns at community based, mental health center for older adults.
- 2001 –2004 Clinical Neuropsychologist / Clinical Supervisor: CU Aging Center.
- Provide supervision for neuropsychological assessment to graduate students. Established memory disorders clinic for older adults. Private practice specializing in neuropsychological assessment of older adults, assessment of capacity, and memory disturbances.
- 1995 – 1997 NIMH Chief Post-Doctoral Fellow at the Neuropsychiatric Institute, University of California, Los Angeles.
- Director: Paul Satz, Ph.D. 2000 Hours. Licensed Clinical Psychologist in State of California (#16805).
- 1994 – 1995 Internship at the University of Arizona Health Sciences Center, Tucson, Arizona.
- Training Director: Anne M. Herring, Ph.D. 2000 Hours. Additional Supervisor: Alfred Kaszniak, Ph.D.
- 1992 – 1993 Transitional Learning Community, Galveston Texas.
- Supervisors: Karen Reed, Ph.D., and Lee Wang, Ph.D. 1000 Hours. Setting

was a community re-entry post-acute rehabilitation facility with a functional approach.

1991 – 1992 Neurobehavioral Institute of Houston.

Supervisors: Sigrid Rogers, Ph.D. and Walter High Jr., Ph.D. 1000 Hours.
Setting was in-patient facility for acute and post-acute head-injury patients with significant behavioral disturbances.
